

LEADERSHIP AND MANAGEMENT PROFESSIONAL QUALIFICATIONS

“ILM creates leaders and develops managers through qualifications, training and cutting edge research”

Why ILM Qualifications?

ILM provides flexible and relevant qualifications framework to develop the leaders and managers of tomorrow. ILM qualifications provides instant recognition of the leadership and management skills of the holder – internationally. The key benefits of an ILM qualification are:

Flexible and customizable content

ILM qualifications are made up of a range of units, available units are varied, and cover a range of pertinent leadership and management issues. This enables a greater degree of flexibility to customize your training according to your own needs and priorities or that of your organisation.

Practical assessment - not just theory

As part of your qualification you will be required to complete an assessment in relation to all of the units on your programme. Assessment is a key measure of management and leadership skills learning. ILM's approach to assessment is to ensure that it enables you apply and demonstrate their knowledge, skills and awareness to real-life workplace challenges. Our programs mean you can assess your development and see them make a real-world impact on your organisation even before their course is finished.

Studying Membership Benefits

All delegates on ILM qualification programmes will receive complimentary studying membership whilst on their course. This will include the following added benefits:

- Complimentary subscription to **Edge magazine**, the Institute's leadership and management magazine
- **The Ci Zone**, free access to suite of interactive career development tools and resources.
- The **Resource Centre** brings you the access to latest leadership and management thinking through a free online catalogue of e-books, business books summaries and thousands of e-journal articles.
- The **LearningZone** has over 400 digital learning resources covering essential management and leadership topics, many of which have been mapped to directly support learners on the ILM programmes.
- Full access to the **ILM Insight** – where managers, leaders, HR professionals, training experts, academics and opinion-formers come to network, share advice and find hot topics and research.

ILM Level 7 Certificate and Diploma in Leadership and Management

Who are these qualifications for?

The ILM Level 7 Certificate and Diploma in Leadership and Management are designed for senior managers and leaders seeking to develop themselves as leaders and managers, who recognise they must satisfy various stakeholders and who want to invest in their own personal brand. They are looking to make the best use of resources, understand the need to innovate and optimise performance. They may also have to present arguments for change, construct business cases, lead change implementation and evaluate the impact of that change.

Benefits for individuals

- ▶ Know how to use an enquiry led evidence based approach to develop your leadership and management capability
- ▶ Develop and enhance your personal brand
- ▶ Develop, implement and evaluate high-level, strategic, business cases
- ▶ Embed your leadership and management development in real work.

Benefits for employers

- ▶ Senior leaders and managers who have the ability to think and act strategically
- ▶ Senior leaders and managers who make informed evidence based decisions

- ▶ Motivated staff who can create and maintain a high performance culture
- ▶ Senior team members who are self-aware and take responsibility for self-development.

The Certificate in Leadership and Management consists of one, flexible, mandatory unit that allows the learner to identify and work on the areas of leadership and management development specific to their own work context and of particular interest and relevance.

The Diploma in Leadership and Management consists of two additional mandatory units. The first focuses on presenting arguments for change, constructing business cases and leading change implementation, the second on the creation and maintenance of high performance cultures. The Diploma is 60 credits which is equivalent to a PG Certificate and one third of a Masters in most UK university business schools.

Progression

Successful completion of these qualifications can lead to a range of progression options including the following:

- ▶ Entry onto university Masters programmes*
- ▶ Eligibility for ILM Fellowship.

****The Diploma provides one third of the credit value towards a Masters qualification. Please check entry requirements directly with university.***

ILM Level 5 Certificate in Service Improvement

5

C

Who is this qualification for?

The Level 5 Certificate in Service Improvement is designed for experienced or new department heads and project leads or other middle managers in organisations adopting lean methodologies or looking for ways to improve performance and efficiency. Learners will learn to lead significant service improvements using lean methods.

Benefits for individuals

- ▶ Analyse and evaluate lean production and improvement methods
- ▶ Create a project proposal using lean methods to improve a service in your organisation
- ▶ Implement the service improvement project, with appropriate controls
- ▶ Evaluate and report on the success of the project.

Benefits for employers

- ▶ Managers with an advanced understanding of lean production methods to maximise value to customers and minimise waste

- ▶ Support a culture of continuous improvement in your organisation
- ▶ Transfer of skills to the workplace through the implementation of an action learning programme.

This qualification comprises two units. The first unit develops learners' understanding of lean production methods and techniques, and takes them through the process of identifying a potential service improvement and planning an improvement project based on lean methods. The second unit helps them to implement the project plan, establish controls, and monitor and review the service improvement.

Progression

Successful learners have the option to progress to a range of other qualifications including:

- ▶ ILM Level 5 Diploma or Extended Diploma in Leadership and Management
- ▶ ILM Level 5 Diploma in Principles of Leadership and Management.
